

SYSA Sock-A-Way

**PO Box 702
Manteca CA 95336**

The 'Sock-A-Way' program is designed to allow payments to be made by a family, for playing in the SYSA soccer league. These payments begin with a first payment due at registration, with final payment due on **May 1**. Between registration and the final payment date, the family may send in payments based on their ability to pay, at any point during a month. **No exceptions** will be allowed for the final payment due date.

There is no cost charged to be in this plan. In the event that full payment is not received by the league, by the May 1 deadline, a full refund will be given. In the event that a payment is made by a check which does not clear the bank, the party will be immediately dropped from the program. The party will have the option of either paying the remaining amount in full, plus the league 'returned check fee' of **\$40**, or having this amount deducted from the previously paid funds, and the remainder refunded.

All families must pay a minimum of \$35 to participate, per player, by cash, or credit card, no checks accepted, at registration. They also must fully participate in the SYSA Fundraiser, selling the minimum '**fair share**' amount, or paying the **\$40** 'opt out' fee, **which must be paid at registration, and is a per player charge**. All players are **required** to participate in the fundraiser, by paying the 'opt out' fee, or selling their '**fair share**' amount. If either is not done, the player is suspended from league play.

Checks are to be made payable to 'SYSA'. Payments on plan are to be sent to : SYSA, PO Box 702, Manteca, CA 95336. All checks sent in must have the parties drivers license number on the check (preferred), or some other form of government issued ID number (you must indicate what it is). No checks will be accepted that do not have the parties name and address printed on the check. Post-dated checks are not accepted, and checks are immediately deposited into the bank for processing.
